

## Laughs from beginning to end.

This classy headline variety show proves that **Double Trouble** has taken both art forms-- juggling and vaudeville-- to a higher level.

Throughout the show, audiences enjoy their **award-winning**, fast-paced Vegas-style juggling as well as their original action-packed two man comedy sketches.

Drawing on inspiration from *The Smothers Brothers* to *Abbott & Costello*, **Nick & Alex** argue up a comedic storm on stage. Meanwhile, audiences witness the importance of teamwork in a successful performance. And every show is unique, with audience members becoming stars of the show.

**Double Trouble** leaves guests with an unforgettable experience that keeps them laughing weeks after the show.

**Nick & Alex** keep the tradition of two-man comedy alive.

**“We’ve never seen a juggling/  
comedy act get so many  
standing ovations!”**
